Reading Books and Journals

Children will bring home their reading books and reading journals every night. We encourage children to read every night and to complete a short book review when they have completed their book.

Reading books will be changed every Friday but feel free to ask staff if your child requires an extra book to read at home.

Class information

Don't forget to check the class web page.

<https://www.beechhillwigan.co.uk>

Make sure you are signed up for class dojo (check your arbor app if you haven't already logged in)

General Information

Children in Y3 will go swimming each Wednesday. All children need a PE kit in school which will be sent home every half term to be washed.

Our school PE kit is:

- Black shorts.
- White T shirt.
- Pumps.

Please label all items including pumps.

Please could all children also bring a long sleeve top without a hood for outdoor sports

Important!

Can you please ensure that your child does not wear any Jewellery on their PE days.

Music: Y4 must remember to bring their brass instrument into school every Wednesday

Homework

In Year 3 and 4 all children will be given a learning log activity or a google classroom activity to complete each week.

The activity may be English, Maths or Topic based.

Learning Logs need to be back at school by the following Friday.

Spellings are also sent home each Monday and children will be tested the following week.

Details of all homework will be in school planners

Beech Hill Community Primary School

POCKET PLAN FOR

PARENTS

Spring

Year 3/4

Topic this term:

Electricity

ENGLISH

In English this term we will be exploring friendship and relationships through the book, *The Robot and The Bluebird* by David Lucas

Science

This half term we will be studying the science of electricity. We will make our own electrical circuits.

Geography and history

This half term is all about exploring our local area and the counties of England. Do you know which county Wigan is in?

Computing

This term will be exploring multimedia presentations and animation

RE

Our big question for religious education this term is :

Sikhism

How do Sikhs express their beliefs and values

Design Technology and Art

This term we will be using our scientific skills to make working electrical systems. In art we will explore block printing and look at the art of William Morris and Sybil Andrews

PSHE

During the spring term we will be continuing with our philosophy sessions. The sessions will be linked to the CLPE book, *The Robot and the Bluebird*

“What is commitment?”

“What makes a family?”

MATHS

This term we will be focusing on multiplication and division. Y4 will also be working hard on their times tables to prepare for the Y4 test at the end of the year.
