The school has once been awarded the Science Quality Mark (PSQM). The award recognises the school's commitment

to developing and strengthening science education, celebrating the positive impact this has on children's learning and understanding of the world around them. Many thanks to Miss Leed for her fabulous subject leadership and for ensuring science is firmly placed in the heart of our curriculum.

Art: Take one picture

We really enjoyed our trip to the Lowry art gallery. We took part in a fabulous workshop and saw all the amazing art, including the picture we had studied back at school, "A Fight".

We learned lots of new things about art and artists

In English we set sail from Tierra del Fuego (forest school) in search of a new civilization.

D&T

We stepped into Victorian England and made our own model shops.

From butchers to drapers and candlestick makers!

Brass lessons are well and truly underway

We are looking forward to our concert next half term
