

BEECH HILL REFILL

Our Eco Refill Shop launch was a huge success this morning! Thank you so much to everyone that came along and purchased some of the products—you really are helping make a difference.

The shop will be open during family breakfast every other Friday. Remember—there is no planet B!

RECEPTION AND YEAR 6 PHOTOS

The photographer will be in school on **Monday 9th February** to take our Reception and Year 6 class photos.

Please make sure children are in their full school uniform on the day.

Please remember instruments and swimming kits on Wednesdays!

WORLD BOOK DAY

World Book Day is **Thursday 5th March 2026**.

Children can come to school dressed as a character from their favourite book on this day—our theme this year is ‘Fairytale’!

BIKEABILITY

If your child is in Year 6 and would like to take part in Bikeability (week commencing 23rd March 2026), please complete the online consent form via the QR code emailed out earlier this week.

CROSSING PATROL

Please be aware that there will be no School Crossing Patrol Officer on the Gildow Lane crossing for the foreseeable.

If you or your children take this route home, please be cautious.

TIME TO TALK

Does seeing yourself in a toy or story help you feel like you belong?

ATTENDANCE

Regular attendance at school is crucial if children are to achieve the best outcomes possible. Please ensure your child attends school every day or you may be given a fixed penalty notice.

Best attending classes week ending

23/01/26:

EY/KS1—Swan 99.7%

KS2—Kingfisher 98.6%

KEY DATES FOR YOUR DIARY

09.02.26: Reception and Year 6 class photos

12.02.26: No Street Dance today

13.02.26: Last day today

23.02.26: Return to school today

Friday 30th January 2026

Osprey Class

The children of Osprey have had a very busy start to the new year. We are enjoying our class book 'Clockwork' and completed lots of excellent pieces of writing. In Maths we have been looking at adding and subtracting fractions and mixed numbers. We have been exploring global trade in Geography and Street Art in PE and in science we are learning all about electricity .

In Geography we have been learning about Global trade. It is very interesting to find out what our country imports and exports—*Pelumi*

PE is lots of fun because we have been able to work as a team and create our own 'Street Art' routine—*Frankiee*

In science we are looking at electricity. We have had lots of fun using the equipment and investigating the conductors and insulators—*Prajeeth*

We have been looking at databases in computing and how information is organised—*Esme*

In Geography, we had been learning about earthquakes and in D.T. we had to design a structure to withstand an earthquake. The children were given a design brief to follow and then worked in groups to complete. We tested our prototypes and found that the designs that used triangulation were very successful.
