**CHRISTMAS MEAL AND JUMPER DAY**

Our Christmas lunch and jumper day is **Thursday 11th December**. Please reply to the Arbor in app message to order your child's lunch.

If you have any old Christmas jumpers that you no longer need, please put them in the box at the school office. We will display all donated jumpers in Family Breakfast on **Monday 1st December**, please come along and take what you need.

**SWITCH OFF FORTNIGHT**

From 10th to 23rd November, we are taking part in Switch off Fortnight!

We will be switching off all lights and appliances when not in use to save money and reduce wasted electricity. Please join us and take part at home!

**FLU VACCINE**

Please return consent forms for the catch up session no later than next **Wednesday 19th November**.

**LATES**

This week we had over 20 pupils arrive to school late.

Children arriving late cause both disruptions to the education of others, as well as losing valuable class time for themselves.

Please ensure that your child is in school on time at **8:45am**.

**In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.**

**We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we  
lie,  
In Flanders fields.**

**Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies  
grow  
In Flanders fields.**

**ATTENDANCE**

Regular attendance at school is crucial if children are to achieve the best outcomes possible. Please ensure your child attends school every day or you may be given a fixed penalty notice.

Best attending classes week ending **07/11/25:**

KS2 - Kingfisher 96.8%**

# Swan Class

What a busy time we have had already this year. The children are working really hard.

We are really enjoying our Science lessons. During Autumn 1 we investigated seasonal change. We enjoyed exploring the school grounds to observe what animals and plants we could see. In Autumn 2 we are investigating materials. We loved going on a materials hunt around the school.

Look at our fantastic art work.
