Year 5 & Year 6

We had a visit from Milliken right at the start of the term and they showed us the different roles people had in industry.

After that we got into groups and designed a carpet tile that we presented to Milliken.

“It was a wonderful experience—I didn’t realise how many different roles there were in the factory. Everyone really enjoyed themselves”

Jake P

And the winning tile was created by ‘Poster Pro’s who get to go and visit Milliken to see their tile being manufactured.
