

DONKEYS

We had 2 very special visitors in school this week! These 2 gorgeous donkeys, Beauty and Alfie visited us on Wednesday.

You can find lots more photos on your child’s class page on our website.

RELAY YOUR WAY

Relay Your Way is an epic relay across Britain championing the 1.5 million young people in the UK with disabilities, including half a million children living with brain conditions.

The Relay sends the powerful message that sport, adventure and play should be inclusive to all.

Launched in Glasgow on June 3rd, it will travel 2500 km through almost every major city in Britain before finishing at the Parallel Windsor Festival of Inclusivity at Windsor Great Park on July 6th.

On Tuesday, some of our Year 6 pupils met pupils from Woodfield along with the Happy Smiles team to collect the baton and bring it back to school, before it then went on to it’s next destination!

We can’t wait to see the total money raised on 6th July. You can check out [@relayyourway](#) on Instagram to see some photos and videos.

RNLI

A big thank you to Tony from RNLI for visiting us yesterday to teach us all about lifeboat crews and water safety!

YEAR 6 LEAVERS FEATURE

The Year 6 leavers celebratory class photo special will be published in the Observer on **16th July 2025**. If you’d like to pre-order a copy of the paper, please follow the instructions on the letter that was sent home earlier this week.

Y5/6 RUGBY TOURNAMENT

Well done to our Year 5 and 6 pupils who competed in the rugby tournament last week.

Great effort guys!

PLEASE MAKE SURE YOUR ARBOR NOTIFICATIONS ARE SWITCHED ON TO AVOID MISSING MESSAGES FROM US.

TIME TO TALK

Why do people explore the past?

ATTENDANCE

Regular attendance at school is crucial if children are to achieve the best outcomes possible. Please ensure your child attends school every day or you may be given a fixed penalty notice.

Best attending classes week ending **13/06/25**:
EY/KS1 - Swallow 95.8%

KS2 - Kestrel 98.3%

- 18.07.25: Y6 Leavers Assembly (9:15—11am)
- 18.07.25: Last day of term

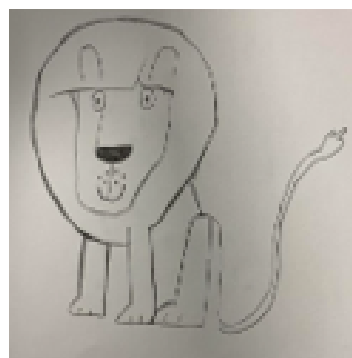

Kingfishers Newsletter

English and art:

Our English text this term is "How to be a lion" by Ed Vere. The illustrations in the book are amazing and we are going to use them to create our own art work. What do you think so far?

Engineering and computing

We have been working with The University of Manchester on an engineering project to design and make prototypes for robots that can function underwater. We really enjoyed coding!

Design Technology

We have been exploring shell structures this term, what they are, how they are used and of course how to make them. We are going to apply our skills towards the end of term, look out for our "pop up shop" coming to a playground near you.

Sports day was amazing, thank you to all the family and friends that came to cheer us on!
