

**SAFETY**

Please help us to maintain a safe environment. Riding bikes and scooters on site is not permitted at the start or end of the school day—this applies to children and adults. Please ensure that you dismount before entering the premises.

Once you have collected your child at the end of the day, you are responsible for their supervision.

The trim trail on the playing field is suitable for children from year 3 upwards—please do not encourage younger children to use it.
