

WORLD BOOK DAY

To celebrate World Book Day (next **Thursday 6th March 2025**) we would like the children to dress up in clothes they would associate an adventure theme. For example going into outer space, an explorer, a dinosaur hunter.

Throughout the day, your child will participate in a range of activities promoting reading for pleasure and I am sure they will enjoy the events planned.

MUSICAL INSTRUMENTS

Year 4 and 5 parents, please remember to send your child to school with their musical instrument every Wednesday.

ESOL FOR BEGINNERS

ARE YOU INTERESTED IN IMPROVING YOUR ENGLISH?
Join our beginner ESOL class for parents!

THE COURSE IS FREE
Classes start on
Wednesday 26 February
and run every week until
Friday 25 June

WIGGLE DANCE

If your child takes part in our Wiggle Dance club, you should have received an email from us with information on how to book tickets for the live performance at The Edge. Please contact the office if you have not received the link.

SPORTING STAR

A huge well done to Myla who was awarded parents player at her football match last weekend.

She was very excited to show us her trophy!

We're proud of you.

TIME TO TALK

Is it important to feel proud of where you come from?

PLEASE MAKE SURE YOUR ARBOR NOTIFICATIONS ARE SWITCHED ON TO AVOID MISSING MESSAGES FROM US.

ATTENDANCE

Regular attendance at school is crucial if children are to achieve the best outcomes possible. Please ensure your child attends school every day or you may be given a fixed penalty notice.

Best attending classes week ending **14/02/25**:
EY/KS1 - Kestrel 99%
KS2 - Swallow 98%

KEY DATES FOR YOUR DIARY

10.03.25: Y4 Visit Liverpool
14.03.25: KS1 Visit Blackpool Zoo

Kingfishers Newsletter

Science

We've explored the science of sound, we experimented with the data loggers to measure how many decibels each instrument made. We also measured the changes in the measurements the further away the instruments were.

We needed to work in teams to carry out our investigations

Computing

We made and programmed robots using Lego Spike. We had a great time!

Art

We were inspired by the art of Annie Louisa Swynerton ARA to produce some watercolour landscape paintings

This half term we will be studying Ancient Rome! So exciting!
