Duckling Class

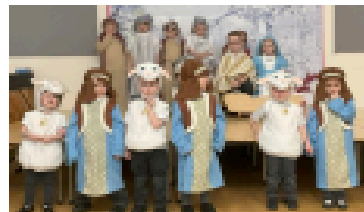

What a busy Autumn term we had after starting in nursery. Here are just a very small selection of our recent learning experiences.

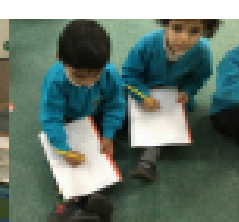

We have made lots of new friends and we are all learning to share, take turns and be kind friends.

As part of our Think Equal work we have learned how we are all special and unique. We have been learning all about emotions and thinking about how our bodies might feel when we experience these emotions and techniques we can use to calm big emotions.

We have been introducing new words every week. We learn the meaning of the word and a picture and sign to represent it. I'm sure you could see how hard we had been working to learn the signs during our Christmas concert. We also showed Father Christmas how good we were at signing.

We have been doing lots of exercise to develop our core, tummy muscles to get us ready for writing and we have practiced our drawing and writing skills at drawing club.

Don't forget the best way to keep up to date with everything happening in nursery is by regularly checking our Twitter feed [@BHCohort3132](https://twitter.com/BHCohort3132)
